Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Saturday 10 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Unsettled at first but improving from midweek.

This Evening and Tonight:
Most showers will quickly fade away, but a few light showers may persist across western areas. For most of the region it will become dry with clear spells, and perhaps the odd mist or fog patch forming. Minimum temperature 12 deg C (54 deg F).

Sunday:
Bright or sunny spells and scattered showers, these slow moving with the light winds, and also heavy at times, especially for northern areas. Maximum temperature 22 deg C (72 deg F).

Outlook for Monday to Wednesday:
Monday and Tuesday sunny spells and showers, these often heavy and slow-moving. with the risk of hail and thunder. Wednesday will be drier, with any showers light and isolated.
